Table of Contents

I. Introduction	3
II. Woodchip and woodchip-based insulation – presentation.....	3
a. What is woodchip?	3
b. Properties of woodchip insulation.....	3
1. General features	3
2. Wood wool	3
3. Wood fibre insulation.....	4
III. Aims, hypothesis	4
IV. Possible additives.....	5
V. Experiments	6
a. Experiment preparations	6
1. Origin of the sawdust	6
2. Making of the press.....	6
3. Reference workpiece (without additives)	7
4. First additive (wallpaper paste)	8
5. Second additive (polystyrene dissolved in thinner).....	9
6. Third additive (cement)	10
b. Experiments	11
1. First experiment	11
2. Second experiment	13
3. Third experiment	15
VI. Conclusion.....	17
VII. Vision	17
VIII. Sources	18
IX. Contributors.....	18
X. Images of the production process.....	19
