| The lesson was interesting | | | | | |
| I have learned new things | | | | | |
| I had fun | | | | | |
| The teacher helped me | | | | | |
| I liked the lesson | | | | | |

Feedback form for teachers

Your opinion is crucial for the successful implementation of the material in order to further improve our toolkits and to make science education and careers in the RM sector attractive for students.

Please mark with a cross which of the statements are correct.

Thank you very much for your support.

| | <i>I totally agree</i> | <i>I agree</i> | <i>Neutral</i> | <i>I disagree</i> | <i>I totally disagree</i> |
|--|------------------------|----------------|----------------|-------------------|---------------------------|
| The toolkit content has a good balance between theory and practice | | | | | |
| The lesson was well prepared | | | | | |
| The toolkit contains all the important content and information for teachers and students to carry out | | | | | |
| The material is adapted to the target group | | | | | |
| The toolkit is methodically-didactically well structured | | | | | |
| As a teacher you have all the documents you need for the implementation of the unit | | | | | |
| The material has contributed to the children's awareness of this topic | | | | | |
| The scope of the toolkit was appropriate | | | | | |
| The students are able to increase their skills by participating in this activity | | | | | |
| The material could be well integrated into the current school curricula | | | | | |

What did you most appreciate/enjoy about the toolkit?

Suggestions for improvement?
